

# Ojai Soccer Programs

Participants will maintain social distancing during the session and the focus will be on individual technical development. All technical practices are organized with social distancing and players working individually, no scrimmages. Fusion Soccer classes are designed to provide a better understanding of the game's overall tactics in a safe, fun, and competitive environment conducive for each player to learn and grow. Our staff teach using age-appropriate technical and tactical exercises with each level of player in mind.
